FAQ: Press Release Report

Crimson has a new Report, **#2998 Press Release Report**, that will produce fundraising statistics for your campaign or organization. This report is particularly helpful in preparing press releases for after a fundraising drive or a recent FEC filing.

This report is designed to quickly answer questions such as how much you raised, the number of donors, undisclosed VS disclosed donors, average gift size, and more.

NOTE: The Press Release Report does not include your final quarterly fundraising numbers. Please wait to pull it until your final FEC report is reconciled with the bank.

How to Run the Press Release Report in Crimson 3

1. From the **Home** dashboard, click on the **Reports** icon from the **Navigation Bar** in the topright hand corner.

2. In the new window that appears, type in the name of the report, "Press Release," and Report #2998 will appear in the results.
