## crimson

You can use Crimson's Mass Append feature to append Tracking # to a set of Money Search Results.

1. Run your desired Money Search and then select Mass Append (next to Export).

2. From the new window, click the **Tracking #** tab

Mass <mark>Mor</mark>	ney Append (8	91 records selecte	d)				
Exception					Tracking#		
Tracking#							
Data Entry (Ad	dv)				,		
Event			214948	74469375	Taylor	Bonnie	
More							
More Settings	+		234716	74485469	Taylor	George	
More Settings System CrimsonFiler	) }		234716 211173	74485469 74466319	Taylor	George Marilyn	

- 3. From here, type in the tracking # and select from the drop menu.
  - NOTE: To Mass Append Tracking #, they must be already created.
- 4. When finished click
