

In CrimsonFiler, there are **Helpful Links** we've provided to assist clients with preparing their FEC reports.

- The **FEC Home Page** link will take you directly to the FEC's website.
- The **FEC Reports Retrieval** link will take you to the FEC's Electronic Filing Report Retrieval page where you can search, view and/or download electronically filed reports from 1997 until present day.
- The **FEC Forms & Instructions** link will take you to the Registration and Reporting Forms page where you can download PDFs of the different form types as well as instructions for some of these forms.
- The **FEC Errors and Warnings Guide** link will take you to a PDF that lists the most common FEC validation errors and warning messages. This PDF will also help you interpret the different FEC validation errors/warnings.
