

Control which Programs to include or exclude in the Thank You's Needed section of the **Home Dashboard**. By enabling the **Suppress from Thank You** setting for a **Program** code, you can view the exact Thank You information your team needs with just a quick glance.

To accomplish this simply:

1. Head to **Money Settings** in Crimson and confirm the **Program** tab is selected.
2. Select an existing **Program** code by clicking  button.
 - If creating a new **Program** code, then click  to create the new Program and Description.
3. Once in the Add or Edit Program screen, click the **Suppress from Thank You** check box.

Edit Program

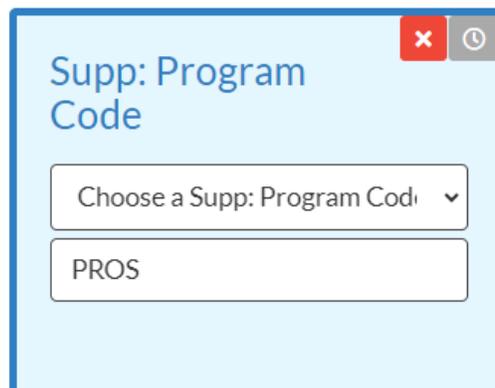

The screenshot shows the 'Edit Program' form with the following fields:

- Code:** HOUS
- Description:** Housefile
- Program Group ID:** (empty dropdown menu)
- Suppress from Thank You:** (checked and highlighted with a blue box)

4. Click  when done.

By default, these suppression enabled codes will be excluded from the Thank You's List Select. You can also manually select program codes you want to exclude from the Thank You List Select search using the below filter:

The screenshot shows a filter window titled 'Supp: Program Code' with the following elements:

- Header: Supp: Program Code
- Dropdown menu: Choose a Supp: Program Code
- Text input field: PROS
